

# Let's protect family homes in Kingsholm

---

Too many family homes in Kingsholm are being converted into Houses in Multiple Occupation, without planning permission being required. It is currently permitted development for six persons or less.

I/We the undersigned demand that the city council starts work immediately on preparing evidence and documentation to apply to the Secretary of State to give Kingsholm the protection of an Article 4 Direction. This means that all conversions of family homes into Houses in Multiple Occupation would require planning permission.
